

Mix it Up!

Guiding Middle School Girls to Success

DO IT YOURSELF!

Is there something you would like improved, or a problem that could use some fixing? Well, YOU can be the solution! You can think of or design something that improves upon an existing design or product, or maybe even come up with your own idea for something new and then create and invent it yourself!

**SCIENCE & TECH
ACTIVITY 3**

WORKSHEET

Complete the following sentences:

I feel very annoyed or bugged when...

It would be better if...

My life would be a lot easier if...

I could change it by...
