

Girl Scouts of Connecticut Awards & Patch Programs

Requirements for these council's own awards and patch programs can be found in the Form Library of www.gsofct.org.

These patches can be purchased through the Council Shops.

African American Cultural Unity Patch: This program links African history with contemporary American culture.

Amistad Friendship Patch: An overview of the Amistad Freedom Schooner story and how it relates to our present day lives in Connecticut. Discover how we are all so closely linked!

Amistad Friendship Sails Again Patch: Continue to discover the Amistad story and take action by sharing what you've learned with others.

Careers in Medicine Try-it

Careers in Medicine Junior Badge

Careers in Medicine Interest Project

Discover the many careers that are related to health care, learn what training they entail, and take action by helping in your community.

Chinese/Japanese Cultural Unity Patch: This program links Chinese/Japanese history with contemporary American culture.

Going Green Interest Project: Explore how pollutants from our everyday life impact the environment and our health. Learn ways to become green, one shade at a time!

Hispanic Latina Cultural Unity Patch: This program links Hispanic/Latina history with contemporary American culture.

Home to Home Patch: Connect with your community! Become involved in year-round programs of "caring" that enhance the lives of residents in an assisted living center.

Invasive Plant Patch: Gain an awareness of invasive species and the threat posed by them to our environment. Take action as you help to learn ways to control invasive plants.

Learn to Juggle Patch: Have fun while developing skills of concentration and cooperation.

Letterboxing: Letterboxing is an outdoor activity that may require skills such as map reading, orienteering, and puzzle solving.

Native American Cultural Unity Patch: This program links Native American history with contemporary American culture.

Plate Spinner Patch: Have fun while developing skills of concentration and cooperation while building self-confidence.

Pondering Ponds Patch: Discover the ecosystems in and around a pond. Learn about water cycles, flora and fauna, and what we you can do to help protect these elements of nature.

Reading Rocks Try-it: Celebrate literacy! Connect with others as you share your love of reading.

Take Flight Interest Project: Learn the basics of flight, Connecticut's contribution to the field, and the variety of careers linked to aviation.

Additional patch programs and awards will be introduced as the year progresses.
