

Girl Scouts of Connecticut
“Change the World” 2012 International Camporee
Service Unit Application for Home Hospitality

We are expecting 100 international Girl Guides and Girl Scouts and their adult advisors for our special week at Camp Laurel. We will need housing and some transportation that will be provided by our Home Hospitality volunteers and members of their respective Service Units.

We are looking for Service Units or groups of Service Units that would like to provide home hospitality on August 1-5 for 10 – 15 guests per area. Our goal is to have all the guests from one patrol staying in homes that are a reasonable distance apart so that they can participate in the activities together.

Each Area Group will be asked to put on a group pot luck supper on one evening, preferably on Saturday evening, August 4. Families will also need to provide sightseeing locally during the visit and transportation to Camp Laurel on August 5. Your Area Group may wish to organize additional events for our guests. It's a great way to share your community and our state with visitors from another land.

Please help us in securing Host Families so that your Service Unit/s can enjoy this amazing, once in a lifetime opportunity to host our guests AND celebrate our 100th year of Girl Scouting.

Host Hospitality families will need to apply, meet certain criteria (please see application information packet), and be selected. Sometimes emergencies arrive so we will need to have more families ready to host than we have guests.

To help us organize all the Area Groups, please provide the name of the person who will be the contact for your area, will assist us in securing the Host Families, and will help to insure that our guests have a positive experience.

We thank you in advance for your participation. In late winter/early spring we will finalize our plans and assign different international groups to the areas offering hospitality.

Service Unit or Units: _____

Town/s: _____

Service Unit Manager or contact for your area: _____
