CONSENT TO PARTICIPATE AND RELEASE

Camper's Name (Please Print) Camp

Girl Scouts of Connecticut camps and outdoor program centers frequently have rustic facilities and uneven terrain that may include hills, woodlands, and waterfront areas whose navigation may require concentrated physical exertion (such as walking, hiking, or swimming). Many of the programs/activities described in camp or program literature and provided by Girl Scouts of Connecticut include a variety of rigorous physical activities in the outdoors. By signing this consent for your child to participate, you acknowledge that your child's participation in the program activities, as described in the camp brochure and other materials, requires an acceptance of possible serious injury to your child. You have made your own judgment that your child is capable of participating in activities at camp. You also are representing to Girl Scouts of Connecticut that your child has no undisclosed condition that might affect her fitness or ability to participate with or without reasonable accommodation.

In any program/activity at summer camp, there is always some risk of personal injury or property damage. In return for the agreement to permit your child to participate, you agree that you will not sue Girl Scouts of Connecticut (hereafter the "Council") and its members, employees, agents, assigns, or volunteers for any injury to your child that results from or is aggravated by the inherent risks of your child's participation in a program/activity at summer camp. The inherent risks involved in participation in any program/activity include those injuries which result from circumstances or actions of persons who are not employees or agents of the Council.

Please read this agreement carefully and make certain that you understand it fully before signing it. By signing below you may be giving up substantial rights that belong to you and your child. You agree that you are signing this consent freely and voluntarily.
