Yours in Girl Scouting,

Girl Scouting builds girls of courage, confidence, and character who make the world a better place. By helping girls develop their potential, build personal and leadership skills, and learn to make healthy choices and wise decisions, Girl Scouting prepares young women to meet life's challenges now and as adults.

The Girl Scouts of Connecticut, Inc., serves nearly 46,000 young women in grades K through 12 and 21,000 adult members and volunteers in the state.

The Girl Scout Leadership Experience engages girls in discovering themselves, connecting with others, and taking action to make the world a better place.
