Gift-in-Kind Acceptance Form (For Service Unit, Troop/Group, Event, Site)

The Service Unit or Troop/Group must notify the Director of Membership Services or her/his designee and receive approval from GSOFCCT before any in-kind gift is either solicited or accepted. Neither the Service Unit nor the Troop/Group can provide documentation of tax-deductibility for the donation. Only GSOFCCT can provide a tax receipt. If a gift of goods or services is received that is valued at over \$100 and/or the donor requests a tax-deductible receipt, this Gift-in-Kind Acceptance Form #1220 must be completed and submitted to the Council so the donor may be properly thanked. If the form is not submitted, the gift may not be recognized as tax deductible. For more detailed information, consult the finance section in the Volunteer Essentials Manual.
