

WAYS TO HELP!

Discover how you can make a difference in the life of a girl.

Today, more than ever before, girls need a trusted adult role model to relate to as they journey into adulthood.

Mentor girls interested in your career! Show girls what it's like to be in your shoes, and what they can achieve by working hard.

Have a talent or skill to share? Share it with the girls! Teach them a sport, how to manage finances, or how to make an interesting piece of art. Make learning science fun by using kitchen ingredients or building robots!

Join in exciting events! Help host and organize fun events, such as Quassy Day and Girl Scout Day at the Zoo! Also help work on council fundraising events like Breakfast Badge.

Help a troop coordinate a public service project. Create a recycling system for your community/school, get a group together to pick up trash at the beach, or build an assistance ramp where it's needed.

Lead/help a troop! Help girls earn awards and badges, or help manage cookies sales. See them in action as they contribute to your community's needs and participate in exciting activities!

Are you bilingual? Assist with outreach to non-English-speaking communities.

Love to travel? Consider helping girls achieve their travel dreams by teaching them how to organize and earn money for the trip of a lifetime. Whether it's to Haiti on a volunteer mission, to Europe to sightsee, or just a trip across the country, traveling opens girls' minds and perspectives.

Enjoy the outdoors? Share it with girls at camp while exploring and having fun! Assist on hikes, letterboxing, or other fun outdoor events close to you. You can also help with maintenance, troop check in-out, and more.

Speak to community groups! Share ways they can volunteer and support Girl Scouts.

Facilitate trainings with adult volunteers! Use your skills to train our volunteers on council-specific material or important leadership topics.

Spread the word! Contact us to see how you can help promote GSOFCT events and causes.
