What is a Cookie Rally?

It is an expo-style event where we launch our cookie program and bring Girl Scouts together to have fun, practice cookie selling skills, and learn about this year's cookie program.

Who are the Cookie Rallies for?

All Girl Scouts are welcome. Although most activities are geared toward Girl Scout Daisies, Brownies, and Juniors, older girls are encouraged to volunteer and share their cookie knowledge and experience! Girls can come with their troop or family. Girls and their family/parent/troop adult volunteer are welcome to drop in any time during the event.

Did you know...

- + Every girl who attends a Cookie Rally will receive materials to help her get the word out that she is in the cookie business!
- + Girls who attend a Cookie Rally on average sell 50 more boxes than girls who do not experience a Cookie Rally.
- + All girls who attend will earn this year's Cookie Rally Patch.

Do girls need to stay for the entire time?

No. Girls can expect to spend 60-90 minutes at the event. (Plan on arriving by 2:00 p.m. so that they can get the most out of the activities).

What do girls do at the Cookie Rally?

At the Cookie Rally, girls move through the activity stations at their own pace. This year's stations will include activities on Know Your Cookies, Money Management, and Connecting with Customers.
