

2026 Council Cookie Cupboard Locations and Contact Information

<p>Cookies for booth sales and Goal Getter orders can be obtained from council and service unit cupboards. Contact your service unit manager to see if your service unit has a local cookie cupboard.</p>
<p>Please note that if you are picking up cookies from a council or service unit cupboard, you will need to enter a pending order in eBudde at least 6 days (144 hours) prior to pick up to ensure cookies are available. Some cupboards use a pick-up scheduling feature in eBudde. If the cupboard you select is using that feature, you will be prompted to choose a date and time slot to pick up your cookies. See the Hours of Operation information below to see how to make an appointment for cookie pick-ups.</p>
<p>Troops can return up to 50% of the original consignment that was picked up from a cupboard for a booth sale. All returns must be in unopened cases and be in sellable condition. Cases must be returned within 5 days of the booth sales. Individual packages may not be returned.</p>
