Dear Campers & Families,

Welcome to a year of growth and adventure! Our theme for this year is Rooted in Nature, Connected by the Stars.

At Girl Scout summer camp, every adventure begins with a spark—whether it’s the thrill of sleeping under the stars, the challenge of building a fire, or the joy of discovering a hidden trail. Rooted in nature, campers grow confidence, independence, and resilience with every step. Camp is where friendships form around the campfire, where curiosity turns into courage, and where everyone can explore who they are and who they want to become. Guided by tradition, fueled by fun, and connected by the stars, the Girl Scout camp experience empowers Girl Scouts to shine—today and for all their tomorrows.

We look forward to an incredible summer!

Food

We know that campers can work up a big appetite while they're having fun outdoors! Our staff is trained to check in on campers to ensure they stay hydrated and energized throughout the day. We can accommodate most dietary restrictions and allergies. We hire an outside company to cook all food for camp!

At Yankee Trails, Girl Scouts will eat together in the Dining Hall. Meals may be served either family-style or buffet-style with staff being the ones to handle the food. In addition to hot options, cold options such as cereal, salads, or sandwiches will be available at every meal. Campers will also enjoy snacks and desserts!

Health and Safety

Safety is always our number one priority. Camp Yankee Trails has a comprehensive Safety Plan and Communicable Disease Plan. On their first day of camp, campers receive a safety talk.

We have multiple first aiders with additional emergency response training as well as medication administration training.

Our Staff

Our staff comes from around the world and throughout the United States! They all meet at Yankee Trails two weeks before the campers and go through 2 weeks of staff training on everything from reminding your camper to brush their teeth, to how to handle homesickness, from helping everyone successfully learn a new skill, to learning what to do in emergency situations.

Leadership Programs

***IMPORTANT NOTE: All leadership programs are offered in sessions that span multiple weeks (not including weekends). Leadership program participants must attend all weeks in the session AND be dropped off each Monday of the session and picked up each Friday of the session.**

Program Aides (PAs)

For rising 7th–9th graders, the Program Aide pathway is a progressive leadership experience—PA1s learn the basics of helping staff and caring for campers, PA2s build confidence by leading short activities with guidance, and PA3s take on junior leader roles, mentoring others and preparing for the CIT program.

PA2	July 20th-31st*	\$1100-\$1175

Counselors-in-Training (CITs)
