Care to Share

The Care to Share program is a partnership between GSOFCT and the American Red Cross, CT Chapter, and Connecticut Foodshare. Customers can choose to donate to the Care to Share partners. A \$7 donation means one can of Honey Roasted Peanuts will go to one of our partner organizations, supporting their mission to provide aid to Connecticut families.

The American Red Cross, CT Chapter sponsors programs across the state, including disaster relief and events to assist homeless and at-risk veterans and their families.

Connecticut Foodshare supports individuals and families by addressing root causes, creating long-term solutions, and distributing nutritious food through local partner programs in an effort to alleviate hunger.

Quick Facts:

- Customers can make a Care to Share purchase either online or in-person on a Girl Scout's nut and candy **order card**. (coming soon)
- In-person (i.e., order card) payments are due when the order is taken.
 - **A parent/caregiver/troop volunteer must manually add *in-person* Care to Share purchases to a Girl Scout's record on the Treats & Reads website.**
- With Girl Scout online storefront orders, the customer will pay with a credit card. The purchase will automatically flow into the Girl Scout's record and does not need to be entered by either the parent/caregiver or troop volunteer.
- To earn a custom patch, Girl Scouts must have 5 or more Care to Share donations.
 - Care to Share purchases count toward troop proceeds and rewards.
- Troops will not receive the items for Care to Share purchases. GSOFCT will arrange delivery directly with the partner organizations.

Volunteer Personalized Patch

Two troop volunteers can also earn personalized patches when the total sales for the troop reaches \$1,300! They will be eligible to order a patch featuring their name and personalized avatar.

Get Girl Scouts up and running with three simple steps:

1. Register for the program at gsnutsandmags.com/gsofct
2. Set up their online storefront.
3. Ask friends and family to make a purchase—in-person (using the paper **order card**) or online.

Purchasing Options:

- **Purchases through online storefront:** For nut and candy items, the customer can have their order delivered in-person (the 19 items featured on the paper order card) with no extra charge or have it shipped directly to them (an expanded selection of 36 items).
- **In-person orders:** Use the paper nut and candy order card. Girl Scouts/families collect payment—cash or check payable to GSOFCT—when the order is placed.
- **Care to Share Purchase / Donation:** For each \$7 donation, GSOFCT will give a can of Honey Roasted Peanuts to the American Red Cross, CT Chapter, or Connecticut Foodshare to assist in their efforts to serve families in our state. Customers can make Care to Share purchases online or in-person.

Girl Scouts' Treats & Reads **online storefronts** are their hubs throughout the program. Once they're registered, they'll have access to their online dashboard.

Girl Scouts' dashboards can be used for a variety of activities within the Treats & Reads Program, including:

- Create a personalized avatar and message customers.
 - Girl Scouts can choose their avatar's features, including eyes, skin tone, hair color/length/texture, etc.
 - They can also upload a photo and record a video message in their voice asking customers to make a purchase.
- Send promotional emails to customers.
- Share the link to their online storefront on social media by using the "Share My Site" feature. Please review the Internet Safety Tips on page 11 with Girl Scouts and families.
- Print out business cards and door hangers with QR codes to the Girl Scout's storefront.
- Select reward items.
- Enter paper order card orders.

Note: Online orders, including those for direct shipping or for girl delivery, automatically populate on the dashboard; parents/ caregivers and troop volunteers do NOT need to enter these orders manually.

The safety of Girl Scouts, their families, and volunteers remains our foremost priority during participation in the Treats & Reads Program. To ensure that their involvement is both meaningful and secure, families, volunteers, and Girl Scouts should read and follow the **Safety Activity Checkpoints** for Cookies and Product Sales.

General Safety Tips

- Adults must supervise Girl Scouts when participating in all aspects of the Treats & Reads program.
- A parent/caregiver must know the Girl Scout's whereabouts and activities when she is participating in the program, including online.
- Girl Scouts and adults should be familiar with the neighborhoods where the Girl Scouts sell and should only participate in door-to-door sales during daylight hours.
- Girl Scouts should always wear a Girl Scout uniform, membership pin, or Girl Scout branded clothing when taking orders and/or delivering products to customers.
- Girl Scouts should not share their full name, phone number, address, or personal email address with customers who are not trusted family or friends. Customers should use an email address overseen by an adult to request information or to place an additional order.
- A plan should be in place to safeguard any money collected.

Internet Safety Tips

- A Girl Scout's parent/caregiver must read and agree to the **Girl Scout Internet Safety Pledge** alongside the **Supplemental Safety Tips for Online Marketing**.
- A parent/caregiver, or another adult must supervise the Girl Scout when participating in any online activity relating to the Treats & Reads program.
- Girl Scouts 12 and younger can use the social media accounts of parents/caregivers to reach family and friends.
- Girl Scouts 13 years old and older may use their own social media accounts to reach family and friends. Parents/caregivers should be aware of all posts related to Treats & Reads.

Personalized Products

Care to Share Donation

- Customers can make a Care to Share donation via a Girl Scout's paper order card or their online storefront.

Goal and Decision Making

Discuss the importance of each Girl Scout setting a goal and sharing it with family and friends.

Have the Girl Scouts decide on a troop goal (e.g., number of items sold, emails sent, how the troop will use the proceeds, etc.).

Use the Kangaroo **Goal Tracker** as a troop activity.

Have the Girl Scouts review the rewards on the nut and candy **order card** or from the dashboard on a Girl Scout's online storefront.

If the troop is Junior level and older: Girl Scouts can vote on whether to take additional proceeds in place of rewards (see page 9).

Ordering Nut and Candy Items

- All nut and candy items for in-person delivery must be in the Girl Scout's record on the M2 site (gsnutsandmags.com/gsofct).
- A parent/caregiver or troop volunteer MUST enter order card nut and candy orders into the Girl Scout's M2 site.
- Parents/caregivers have until **November 11 at 11:59 PM** to enter nut and candy items, including Care to Share items.
- Troop volunteers can enter order card orders between **November 12 and November 13**.
- Customer purchases made through a Girl Scout's online storefront and paid for with a credit card should NOT be manually entered. These purchases will automatically flow into a Girl Scout's record.
- Customers can purchase online through **November 15**. These items will be included in a Girl Scout's total sale. No additional action is needed from the parent/caregiver or troop volunteer.

Pickup and Distribution of Nut and Candy Orders

Great news! The nuts and candy items are scheduled to arrive to the service unit volunteer between **December 2 and December 5**, right in time for the holiday season. Follow the tips below when picking up troop orders:

- Arrive at the assigned location on time. Your service unit volunteer will let you know where and when you can pick up the nut and candy orders for in-person delivery.
- Count each item in the troop's order, by variety, with the service unit volunteer.
- Once you confirm the count, you MUST sign for the order.
 - Your signature transfers the responsibility for the troop's nut and candy items from the service unit to the troop.
- Allow enough time to load your vehicle.

Prepare orders for pick up in a snap!

- Prepare for troop families to pick up their Girl Scout's nut and candy items from you by sorting the product according to the delivery tickets—available on the M2 site (gsnutsandmags.com/gsofct).
- Communicate the pickup location and time to troop families.
- Separate orders by Girl Scout BEFORE the first family picks up.
 - It is almost impossible to identify a sorting error after the first pickup.
- Allow enough time between pickups so an adult from each family can double-check the item count, sign for the nut and candy items, and load the order into their vehicle.
- IMPORTANT: Plan to count the nut and candy items, by variety, in each Girl Scout's order with the family. The adult MUST sign the delivery ticket or another document that reflects the number of items in the Girl Scout's order.
 - The signature is what transfers responsibility from the troop to the family.
- Nut and candy items should be stored inside, off the floor, and away from heat sources, household pets, and wildlife.

Payment for customer orders (Online)

Customers pay for online orders via credit card. Online orders include all orders placed via a Girl Scout's online storefront, including direct shipping, in-person delivery orders, and Care to Share purchases.

The total amount of these purchases—excluding fees paid by the customer for shipped orders—will be credited to the troop on the **M2 website**. This amount will be accounted for when calculating the amount due to GSOFCT from the troop.

Payment for customer orders (In-person order card)

Customers pay for items ordered in-person (nut and candy items, including Care to Share purchases) when placing the order with the Girl Scout. Customers can pay with cash or a check payable to GSOFCT.

The deadline for Girl Scouts/families to turn in all funds collected to the troop co-leader or troop Treats & Reads volunteer is November 13, 2026. This allows enough time for the troop to deposit the funds into the troop bank account ahead of the scheduled ACH payment—December 4, 2026.

If the troop experiences a bounced check or family payment issue, the troop volunteer should contact Customer Care at **customercare@gsfct.org** or (800) 922-2770. The communication should include:

- The troop number.
- A description of the problem.
- Steps troop volunteers have already taken to resolve the issue.

Troop payments to the council

The link to the **ACH Authorization** is posted at **gsfct.org**. Troop payments to GSOFCT are made by electronic payment (ACH) from troop bank accounts. Troop proceeds will be calculated prior to the ACH withdrawal date and will remain in the troop bank account.

There will be one ACH transaction from the troop's bank account on December 4, 2026, to pay the amount due to GSOFCT. If the council owes proceeds to the troop, the council will initiate a deposit transaction to the troop bank account on December 4.

Once the council initiates an ACH transaction, it can take up to ten business days for the transaction to post to the troop's bank account. If funds are not withdrawn or deposited after ten business days, please contact GSOFCT Customer Care at **customercare@gsfct.org** or (800) 922-2770.

Submitting the ACH authorization—New update for 2026-2027

Each troop must have an ACH Authorization on file with GSOFCT. If the troop completed the ACH Authorization in the 25-26 membership year and the bank information and signatories have not changed then the troop does not need to complete a new ACH Authorization. The council will use the one on file. New troops and those with a change in bank account information or signer(s) must complete a new ACH Authorization form by October 30, 2026.

When completing the ACH form please double-check for accuracy before submitting the form; GSOFCT will not be able to initiate a transaction if the information provided is incorrect.

ACH Authorization.
