Benefits of Participating

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills and business ethics as they earn proceeds for their troop.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Proceeds stay local to benefit our council and troops earn 15%* on all items sold.

* Junior and older troops can receive 17% if the troop opts to take additional proceeds instead of rewards.

How the Program Works

This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase from a variety of products. Girl Scouts can participate in person and/or online.

- In-person: Use the nut & candy order card to collect orders & payments.
- Online: Invite friends & family to place an order. Girl Delivery and direct shipping is available. See below for details.*

Customers can also make a purchase of nuts to be donated to the American Red Cross, Connecticut Chapter or Connecticut Foodshare.

* Direct shipping is available for online orders of nuts, chocolates, magazines, Tervis Tumblers, candles, personalized products and Bark Boxes. Girl delivery is available for online orders of select nut & chocolate products.
