## The 2026 Cookie Boss Challenge

Each week, Girl Scouts across Connecticut will take on a new cookie selling challenge for a chance to earn awesome rewards!

Watch for weekly challenge updates on our social media channels [and check out our website](#) for the full list of challenges.

## Action Steps

### 1. Looking for a new booth sale opportunity?

Check out the council booth locations in eBudde in the Booth Sales tab! Council booth sites are locations where troops from any service unit can hold a booth sale. There are over 200 council booth sale locations available. Additional sites are added weekly as new opportunities arise.

### 2. Does your troop need cookies for a booth sale or to fulfill Goal Getter orders?

Login to eBudde to place a pending cookie cupboard order. Troops can submit additional cookie order requests in the Transactions tab in eBudde.

The council cupboard list is up on our website under the cupboard drop-down.

**When placing a pending order, please keep the following in mind:**

- Check the cupboard's schedule for days and times that it will be open.
- Orders must be made at least 6 days (144 hours) in advance of your desired pickup date.
- Cupboard orders should be submitted as soon as troops are made aware of additional orders to ensure availability.
- Contact the cupboard manager if cookies are needed on short notice; they'll confirm if they have the available inventory.
  - The cupboard manager's name and contact information will be listed in eBudde.
- Troops can return up to 50% of the number of cases picked up from the cupboard.
  - Returns must be made within 5 business days of the booth date.
- Only full cases in sellable condition may be returned.
  - Individual packages cannot be returned.
  - Cookies that were part of the troop's Initial Order cannot be returned or exchanged at a cupboard.

### 3. File the troop's [ACH Authorization Form](#)

If not done so already, a signer on the troop's bank account must file the ACH Authorization Form as soon as possible.
