Upcoming programs at Camp Laurel!

Calling all Older Girl Scouts!

Older Girl Scout Conference! (Cadettes, Seniors, and Ambassadors)

Take advantage of our weekend option (April 28th—April 30th) or our day option (April 29th). You’ll be able to design your own schedule with a variety of workshops to choose from. Dive into a workshop you already love, or discover something new; the choice is yours!

Workshops include:
• Archery
• Gold/Silver Award Workshop
• Money Investing (separate sessions for Girl Scouts and Adults)
• Using different Camp and Backpacking Stoves
• Woodworking
• And so much more!

Put your passion for working with younger girls into action! Join us February 25th, as we explore the basics of the leadership skills needed to work with younger girls, practice planning for activities, and find out what it takes to help at service unit and council events.

Upcoming programs at Camp Laurel!

Don’t miss out on our all ages programming!

International Weekend! (All ages)

Come spend the weekend (June 16th to June 18th) at Camp Laurel! You’ll explore the camp while participating in games led by our international staff; getting to know them, and learning about their cultures. Expand your horizons by going around the world in a weekend!

Outdoor Badge Skills Day! (All ages)

Have a blast while working on different outdoor badges for each Girl Scout level! We’ll be holding this event on March 11th. Enjoy a Girl Scout track and adult track with individualized activities. Then, we’ll come together to cook a delicious lunch using a variety of different outdoor techniques—you’ll be able to take these skills into the real world and share them with friends.
