

Council Cookie Cupboard Locations and Contact Information

Cookies for booth sales and Goal Getter orders can be obtained from council cookie cupboards and service unit cookie cupboards. Contact your service unit cookie manager to see if your service unit has a local cupboard.

Please note that if you are picking up cookies from a council cupboard you will need to enter an order in eBudde at least six days prior to ensure that cookies are available. Some cupboards are using the scheduling feature in eBudde. If the cupboard you select is using this feature, you will be prompted to choose a date AND time slot in order to submit your order.

Troops can return (unopened cases) up to 60% of the original consignment and should contact the cupboard manager to schedule a return.

We ask that all volunteers arrive at their scheduled time to reduce the number of people at the cupboard at one time.
