

The online application used by troop volunteers and the council to manage the cookie program.

eBudde is where:

- Girl Scout Initial Orders are entered, and cookies sold after the Initial Order and at booth sales are assigned to girls.
- Digital Cookie sales for Girl Scouts and troops are recorded.
- Girl Scout rewards and troop proceeds option are selected.
- The troop's booth sale sites are entered and approved by the service unit.
- Additional cookies picked up at a cookie cupboard are assigned to troops.
- All aspects of the troop's cookie program, including per Girl Scout selling average, troop per package proceeds, and financial transactions (including payments for Digital Cookie sales) are recorded.

Complete instructions, including how to log on to eBudde, will be available on the [Cookie Seller and Volunteer Resources](#) page at [gsofct.org](#) in late January.

All troop cookie volunteers and co-leaders will receive an email in late January with a link to create login credentials to access eBudde for the 2022-2023 cookie program.

Once you have access for this year's cookie program, be sure to check out the eBudde app! Access eBudde's powerful features right from your mobile device. A helpful dashboard and menu let you manage the whole Girl Scout Cookie Season wherever and whenever you want.

Instructions for using eBudde will be posted in the eBudde section of the [Cookie Sellers and Volunteer Resources](#) page at [gsofct.org](#).

NOTE: Troop volunteers **MUST** be registered for the 2022-2023 membership year **AND** have the troop cookie volunteer **OR** co-leader role assigned to their membership records to access eBudde and the eBudde app.
