

2024 Council Cookie Cupboard Locations and Contact Information

Cookies for booth sales and Goal Getter orders can be obtained from council and service unit cupboards. Contact your service unit manager to see if your service unit has a local cookie cupboard.

Please note that if you are picking up cookies from a council or service unit cupboard you will need to enter a pending order in eBudde at least 6 days (144 hours) prior to pick up to ensure cookies are available. Some cupboards use a pick up scheduling feature in eBudde. If the cupboard you select is using that feature you will be prompted to choose a date and time slot to pick up your cookies. See the Hours of Operation information below to see how to make an appointment for cookie pick ups.

Troops can return up to 60% of the original consignment that was picked up from a cupboard for a booth sale. All returns must be in unopened cases and be in sellable condition. Cases must be returned within 5 days of the booth sales. Individual packages may not be returned.
