# Dear Campers & Families,

**Welcome to a year of growth and adventure! Our theme for this year is Growing Together, Rooted in Nature.**

Growing together - rooted in nature evokes a sense of community and connection with the environment of both camp and the larger natural environment. We hope it reminds your camper and excites them about nature hikes, making new friends, and all the possibilities that camp has to offer.

Whether they're new to Girl Scouting or already a pro in the great outdoors, Girl Scout camp offers the perfect setting for unforgettable memories. We can't wait to hear laughter, cheers, and camp songs fill the air as our campers explore, learn, and grow. We are eager to welcome them for a summer like no other!

Returning campers will remember the thrill of trying new things, laughing with friends, and stepping outside their comfort zone with confidence. This year is their chance to dive back in and create even more lasting memories.

And for those who haven't joined Girl Scouts yet—no worries! When you sign up for camp, you'll be guided to become a member. Many attend camp as individuals without being in a troop, and we're honored that you trust us with your camper's experience. We take that responsibility to heart, ensuring they have a safe, fun, and unforgettable time at camp.

**We look forward to an incredible summer!**

The Outdoor Programming Team

# How Campers Benefit from Summer Camp

Girl Scout summer camps feature unique leadership opportunities where campers build life skills that help them become leaders. Within a safe and supportive environment, campers discover how to be more independent and self-reliant, how to connect with others, and how they can take action to make the world a better place.

# Is My Girl Scout Ready for Camp?

We share your desire to find the best experience possible for your camper, and for this reason, we offer a rich progression of sessions. You can choose from a variety of options such as day programs with an overnight option, 2-night mini camps, 1-night and 2-night family camps, traditional week long sessions, and adventure opportunities.

While Girl Scout camp has something for every level of readiness, there are some skills and abilities that signal whether an overnight camp is right for your Girl Scout. We've created a simple quiz for campers to help parents select an appropriate program for their camper. If you and your camper decide she's not ready for a full week of overnight camp, consider the day sessions with an optional overnight or the mini camp sessions!

# Employment Opportunities

### **Friday, April 11–Sunday, April 13**

Camp Laurel is offering an opportunity to spend the weekend at camp to learn about what it is like to be a counselor and explore other roles available for the summer. You will have the opportunity to meet others who are interested in working at camp, meet the director(s) of different program areas, and so much more.

# Working at Camp

We're looking for adults 18 and up to help bring camp magic to life in summer 2025! While serving as a role model for campers and guiding them through a safe and enriching outdoor experience, you'll build skills alongside them, make lifelong friends, and create unforgettable memories. Explore camp jobs below and visit <https://girl-scouts-of-connecticut-inc.checkwritersrecruit.com/> beginning in January 2025 to apply.

## We're looking for dynamic, outgoing people age 18 and up who might be interested in the following opportunities:

**Unit Counselors:** Help campers create community, adjust to camp life, and find a home away from home! As the primary caregivers for campers during their stay, counselors supervise and guide daily activities and support a safe, fun, and positive camp experience.

**Program Specialists:** Help campers discover a new interest, build skills and confidence, and have a blast! Program specialists lead programs centered around swimming (lifeguard), boating, archery, climbing, arts and crafts, STEAM, or a combination of these.

## Maybe you can fill one of these roles:

**Camp Nurse:** Every camp needs that trusted healthcare professional who not only can mend a cut or scrape, but can also make you feel at ease while you're away from home. Sleep away camp is looking for a trusted nurse or LPN to run our health center, manage day-to-day medication administration, as well as look after both our staff and campers' mental wellness.

**Camp Administrative Assistant:** Be the leaders that keep camp running safely, smoothly, and successfully! Administrative leaders supervise and support staff and oversee all administrative duties of the camp—from planning and leading all-camp activities to serving as the primary communicators with parents, caregivers, and troop leaders.

## This seven-week commitment includes:

- One-week paid training on all aspects of camp and your specific position, child development, group management, CPR/ First Aid certification, and more.
- Opportunities to develop transferable soft skills, including leadership/ supervision, communication, collaboration, and critical thinking.
- Nutritious meals and accommodations surrounded by the beauty of nature (if employed at our Sleep Away Camp)!
- Inclusion in a one-of-a-kind community that fosters lifelong friendships.
