

GIRL SCOUT EXPERIENCE EVENT REMINDERS

No	REMINDERS
1	Supervision: Adult supervision is required. All attending adults must follow GSUSA and GSOFCT policies. Girls not attending with a troop must be accompanied by a parent or guardian with current GSUSA membership and a registration for this event. No tagalongs permitted (unless otherwise noted); everyone attending must be registered.
2	Forms: Please ensure that all Girl Scouts in attendance have a signed Annual Consent Form and Health History form with them (if attending without an adult) or their supervising adult in case of emergency. Please ensure all adults in attendance have a health history card with them in case of emergency. Friendly reminder that troops are responsible for their own first aid at events, so be sure you have your troop first aid kit as well.
3	Accessibility: Our goal is to have every Girl Scout participate meaningfully in this program. If your Girl Scout needs support to be able to participate in activities as described, or traveling over outdoor spaces requires support, please let us know as soon as possible so that we can make the necessary accommodations.
4	Weather/Inclement Weather: Please watch the weather and dress appropriately. If the predicted weather makes the program unsafe, we will need to cancel or postpone. If a decision to cancel the program is necessary, it will be made the day prior by 3pm. Notification will be to the email you used for registration; the same email we used to send this confirmation.
5	Photos and Media: By entering this space for this program, you give your consent to be included in any video, audio, and photos that will be captured for Girl Scouts of Connecticut's (GSOFCT) news, archival, and marketing purposes. All such photographs and sound recordings shall be the sole property of GSOFCT and you release GSOFCT, its successors, assigns, and licensees from any and all liability of such usage. Please notify a staff member if you do not wish to have your photo or video image taken.

Thank you for attending our GSOFCT program—we appreciate your participation and hope you have a fantastic experience!
