

# *Sugar & Spice Tea Parties*

*Sugar & Spice is happy to offer Manner Lessons*

*In conjunction with the Girl Scouts we have designed a package that allows the girls to earn their Manners/Etiquette Badge while enjoying an old fashioned Tea Party at their location.*

*We will focus on four of the seven requirements for this badge.*

- *With the assistance of the leader we will teach the girls the correct way to RSVP to an invitation and the importance of doing so.*
- *We will work on the proper way to introduce yourself to someone.*
- *We will provide an open forum in which we will talk about good manners and why it is so important to use them at all times.*
- *Lastly, we will provide a Tea Party using china and refreshments which will give the girls the opportunity to "host" a party and practice using their good manners.*

- *Cost is \$15.00 per person which includes a party favor*

*Leader will need to provide badges/patches*

*If they have already completed the Manners/Etiquette Badge/Patch you can always use this to reinforce the importance of good manners in a fun setting. We also do Mother/Daughter Tea Parties.*

*Serving New York and Connecticut*

*Contact Fran Speede at 203.942.0810 or [francines@charter.net](mailto:francines@charter.net) to schedule your party.*
